Terms and conditions

Apply to all contract and prepaid offers and all approvals are subject to FICA and RICA and coverage and availability dependencies. Network coverage is not guaranteed and the service experience may change from time to time. All prices include VAT. You will be charged for the volume of data sent and received, and not for the time you spend connected. In respect of the NeoConnect Prime 1G contract, any unused voice minutes, data or SMSs received during a month, expires at the end of the month in which it was received, and is not carried over to the next month. Once you have used your contract package, the applicable out-of-package rate for Voice, Data and SMS will apply. The service is a best effort service and no guarantees are provided on availability or throughput. Out-of-service pricing is rounded up to the nearest cent. Contract SMS messages are charged in accordance with prevailing tariff plan. Data transfer speeds are not guaranteed and are dependent on network availability and utilisation. Once off payment for the purchase of the NeoConnect Lite™ 99 usage can only be collected via debit order. The R50.00 will be deducted against voice, data and SMS usage only and not on the service fee. The R50 usage discount does not roll-over to the next month. Unused prepaid airtime will expire after 180 days. Terms and conditions can be viewed at www.neotel.co.za.
